PROFILE SUMMARY

Enthusiastic and curious B.Tech Computer Science student with a strong desire to learn and grow in the field of technology. Currently at the beginner level in programming, with a willingness to take on new challenges and continuously improve. Passionate about exploring different areas of tech, from software development to emerging innovations, and keen to build a solid foundation through hands-on projects, teamwork, and real-world learning experiences. Looking forward to contributing positively while gaining practical exposure and enhancing my technical and problem-solving skills.
